planned giving for the future

Your gift today insures the work of T.T.T. tomorrow

How you can help

Making a difference in the life of a young girl is a gift of immeasurable consequence. Members of the National T.T.T. Society Founders Circle continue to make a difference by ensuring the future of the Society. You can plan for the future by including T.T.T. in your estate planning so that young girls enjoy summer camp in the years to come.

Founders Circle

All donors who include T.T.T. in their financial planning with a planned gift of at least \$2,500.00, either in a will, trust, onetime, or ongoing gift, will be recognized with inclusion in Founders Circle.

Founders Circle members can be recognized in *Tidings* and at National Conventions. Golden Founders Circle pins are given to Founders Circle members as a recognition of their gift.

Kinds of gifts

Forms of gifts T.T.T. accepts:

National T.T.T. Society
Camping for Girls

**Make a difference for a young girl
you may never meet.**

Members of the National T.T.T. Society volunteer their time and energy to continue the legacy of our founders by providing young girls with a summer camp experience. Hundreds of girls each year have the invaluable opportunity of attending summer camp. Summer camp makes a difference in their lives.

A planned gift to benefit the National T.T.T. Society ensures that the project of sending girls to camp will continue long after your personal involvement.

The Founders Circle was formed to recognize members and friends of T.T.T. who are dedicated to preserving our unique organization. Our Founders had a vision of a better world through the transforming power of camping. Your generous gifts ensure the future of the vision.

T.T.T. strongly encourages donors to discuss charitable giving plans with family, attorneys, financial planners and tax advisors.
